STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on March 7, 2018 while exercising my duties as a law enforcement officer in the Central District of California

On 03/07/2018 at approximately 1215 hours, I, U.S. Park Ranger Joshua Petersen, was on duty operating an official marked patrol vehicle in Hidden Valley Campground. I had my driver's side window down and could smell a strong odor of marijuana coming from campsite number 34. I drove past the site and observed a female jogging from site 34 to site 35. I stopped at site 35 and spoke with the female. She was later identified as Hannah LEE by her Illinois drivers license. LEE stated she had forgotten to pay her camping permit fee. I observed that her camping permit was expired. I asked LEE if she was in possession of marijuana, she stated she was not. I informed her that I could smell the odor of marijuana coming from the campsite she just left. I asked her again if she was in possession of marijuana. She stated she had a small amount of marijuana in her vehicle. I asked her to retrieve the marijuana. She went into her vehicle and located a small amount of marijuana. I asked her if there was anything else in the vehicle, because I was going to conduct a search. She stated she had some mushrooms. LEE located in her vehicle Psilocybin Mushrooms, a small container which she stated contained "DMT", and more marijuana.
